Dear Author

Re: SACLA 2020 Conference Proceedings

This letter serves to confirm that the Proceedings of the 49th Annual Conference of the Southern African Lecturers' Association (SACLA 2020) (ISBN 978-1-990964-40-4) has been published according to the full DHET criteria. Although the SACLA 2020 Conference Proceedings contains both full research papers and short papers delivered at the conference, the categories are clearly demarcated. Moreover, 75% of the full papers published in this proceedings were contributed by authors from different institutions within South Africa.

The above information can be found on page v of the frontmatter of the SACLA 2020 Conference Proceedings, which is accessible at <https://sacla2020.ru.ac.za/proceedings.html>.

Please contact the undersigned should more information be required.

Sincerely,

A handwritten signature in black ink that reads 'K. Bradshaw'.
